SMEE

上海国际智能维护技术及工程应用展览会

请跟我走

Please Follow Me

7月3日-6日, 2019年首届SMEE上海国际智能维护技术及工程应用展览会在上海浦东新国际博览中心盛大开幕。

From July 3 to 6, 2019, the first Shanghai International Smart Maintenance Engineering Exhibition opened at Shanghai New International Expo Center.

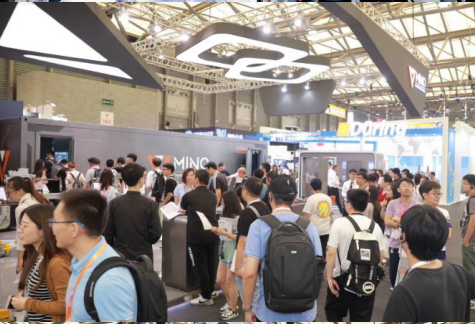

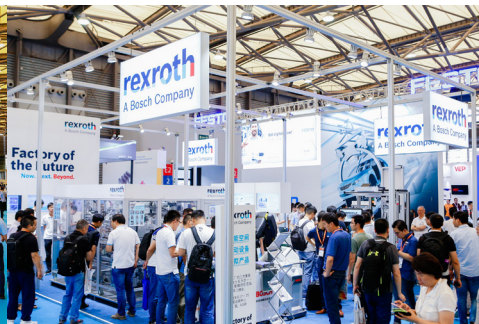

SMEE是设备与产线及设施领域智能维护与
维修工程及自动化应用的盛会。

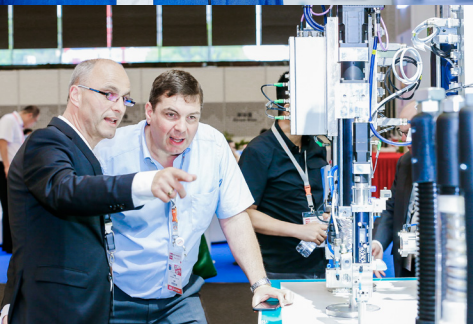

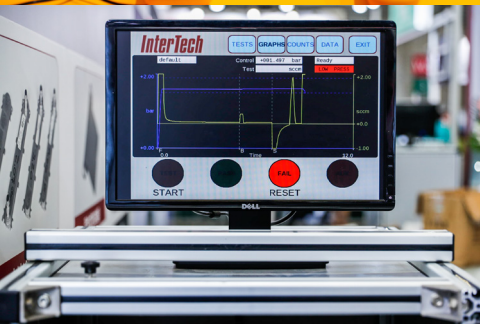

SMEE is an event for intelligent maintenance , repair
works and automation applications in the fields of
equipment, production line and facility.

SMEE 智能设备维护

Smart Maintenance Engineering

来自全球制造业与流程工业各个领域的观众涌入展馆， 探索工业设备智能维护解决方案。

Visitors from all sections of the manufacturing and process industries flooded into the pavilion, explore smart maintenance solutions for industrial equipment.

同期活动——柯马之夜
Concurrent activities——COMAU NIGHT

同期活动——SMC 2019智能维护技术大会

Concurrent activities—Smart Maintenance Conference 2019

“好的活动是一次激发灵感，身心愉悦的旅程。”
“A great event is a journey that inspires the mind and body.”

- 1 场高端峰会 • 24场演讲 • 450名参会嘉宾 • 50+商务配对
- 1 Summit • 24 Speeches • 450 Participants • 50+Opportunities

Future Now 未来已来

智能维护行业发展报告(2019-2020年版) Development Report of Smart Maintenance (2019-2020)

《智能维护行业发展报告2019-2020》
引领智能维护行业风向标, 指明行业发展路线图。
《Smart Maintenance Development Report》
Leading the smart Maintenance Wave,
Indicating the Industry Development Roadmap.

敬请期待!
Coming soon!

吕新伟, 总经理
蒂姆维澳(上海)网络技术有限公司
Xinwei Lv, General Manager
Teamviewer (Shanghai) Network Technology Co., Ltd.

展会观众的专业性很强, 来展台的客户基本上都是我们的目标客户。我们计划预定下一年的活动, 希望未来的合作可以更多、更广。

The visitors of the exhibition are very professional, and the customers coming to the booth are basically our target customers. We have plans to schedule activities for the next year and hope that future cooperation will be more and wider.

iSESOL
智能云科

钱杰, 华东区销售总监
智能云科信息科技有限公司
Tao Qian, Regional Sales Director
iSESOL Information and Technology Co., Ltd.

展会很专业, 我们所在的板块基本上都是做预测性维护相关的企业, 很有针对性。来的观众也很专业, 有不少是我们的目标客户。将来我们希望能和主办方一起组织有针对性的沙龙活动, 进行更多的合作。

The exhibition is very professional, and the sections we are in are basically all related to predictive maintenance, which is very targeted. The visitors are also very professional, and many of them are our target customers. In the future, we hope to organize targeted salon with the organizers and carry out more cooperation.

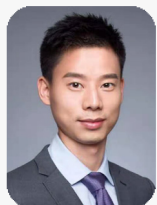

马寅, 生态与商务总监&联合创始人
北京亮亮视野科技有限公司
Yin Ma, Ecosystem and Business Director & Co-Founder
Beijing LLVision Technology Co., Ltd.

展会效果不错, 能把与我们直接和间接关联的客户都吸引过来, 给我们的商机带来非常精准的扩展。来展台的观众专业性非常高, 展会很多其他的展商对我们来说也是目标客户, 所以说今年的展会对我们的帮助很大。希望未来能和主办方进行更多的合作。

The exhibition has a good effect and can attract customers who are directly and indirectly connected with us, bringing very precise expansion to our business opportunities. The visitors coming to our booth are very professional. Many other exhibitors at the exhibition are also target customers for us, so this year's exhibition has helped us a lot. I hope to have more cooperation with the organizers in the future.

参展商、参会嘉宾高度肯定

We were highly recognized by exhibitors and participants.

吴雄斌, 云业务总监(企业)
阿里云 - 上海
Frank Wu, Cloud Business Director(Enterprise)
Alibaba Cloud - Shanghai

对本届大会的参与企业和主题内容比较关心, 可以在大会上进行学习技术和认识朋友, 有预定明年活动的计划。

We are concerned about the participating companies and themes of this conference, and can conduct technical studies and meet friends at the conference, we have plans to schedule activities next year.

杨明川, 发动机维护高级经理
北京奔驰汽车有限公司
Mingchuan Yang, Senior Engine Plant Maintenance Manager
Beijing Benz Automotive Co., Ltd.

对本届大会的预测性维护的案例比较感兴趣, 希望未来在5G的企业化应用上可以进一步讨论, 本次大会有技术应用的案例的收获, 拓展了思维, 对未来5G技术带来的技术变革方向进行了深入的思考。

We are interested in the cases of predictive maintenance in this conference. I hope that we can further discuss the application of 5G in the future. We have learned a lot of technology application, and expanded our thinking, also deeply thought through direction of technology change that brought by 5G.

左志军, 数字化运营副总监
广州明路汽车装备有限公司
Kevin Zuo, Deputy Director of Digital Operations
Guangzhou MINO Automotive Equipment Co., Ltd.

比较关心本届大会的工业数据的并发处理, 数据分析的效果可以进一步的讨论, 有预定明年活动的计划。

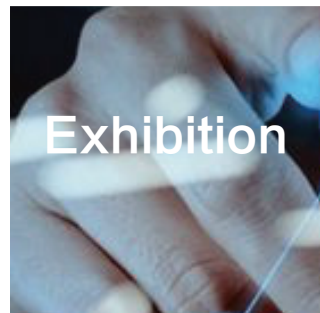

We're more concerned about the concurrent processing of industrial data of this conference, the effect of data analysis can be further discussed, and we have plans to schedule activities next year.

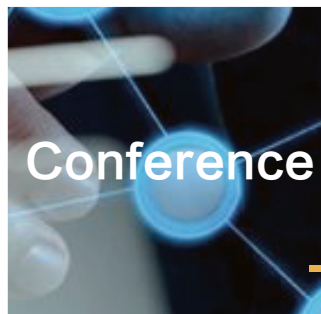

See you in SMEE 2020!
